

# The Journal of COLLEGIATE EMERGENCY MEDICAL SERVICES

Open Position:

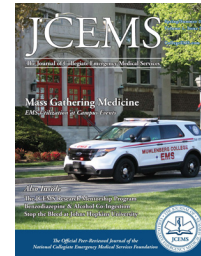

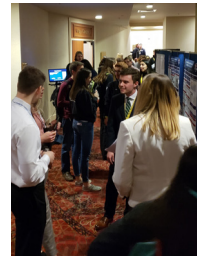

## EDITORIAL FELLOW

### Editorial Role

- Unique 1-year, part-time fellowship that exposes the Editorial Fellow to all operational aspects of a scholarly journal: peer review, research mentorship, publication workflow, marketing and outreach, special event preparation, and business management.
- Lead special projects and assist in management operations in close collaboration with Editorial Board, management and publishing staff, and national leaders.
- Opportunity to design and develop innovative, sustainable programs/projects/events that promote EMS research.
- Opportunity to publish scholarly editorials.

### Preferred Background and Experience

- Collegiate emergency medical services
- Research and academic writing
- Project development and team management

### Time Commitment and Compensation

- 1-year fellowship, with opportunity to extend
- 3-5 hours per week
- Volunteer, uncompensated

### Location

- Remote position, no location preference
