

## Submission Declaration & Disclosure Form

In accordance with the [International Committee of Medical Journal Editors \(ICMJE\)](#), the *Journal of Collegiate Emergency Medical Services* (JCEMS) asks our authors for transparency in the disclosure of any interests, activities, and/or relationships related to the content submitted to JCEMS. If you are uncertain about whether to list an interest, activity, and/or relationship, it is recommended that you include it on this form.

This form must be completed for all content submitted to JCEMS. Every listed author must complete and sign a copy of this form. Each author's form should be submitted as an attachment along with the manuscript submission.

### Declarations

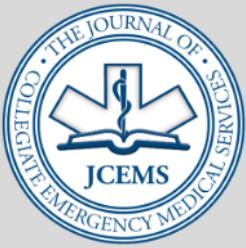

*Please check all boxes that apply.*

I declare that the research and writing have been conducted in accordance with the guidelines presented in the "Ethics in Research and Publishing" section of the JCEMS Guide for Authors.

I declare that the submitted manuscript is original, that neither the work nor similar work has been previously published (except in an abstract, conference proceeding, presentation, or unpublished academic thesis or paper), and that the work is not currently under consideration for publication elsewhere.

I declare that I will not submit the work for publication elsewhere while the work is under consideration by JCEMS without first notifying the Editorial Board of JCEMS.

I declare that any assistance and use of Artificial Intelligence tools is mentioned in the "Acknowledgments" section of the manuscript/content and in the section of the manuscript in which it was utilized.

I declare that any text, tables, figures, and images submitted do not violate any copyright or rights of anyone.

I declare that I fulfill the four criteria for authorship of the [International Committee of Medical Journal Editors ICMJE Recommendations](#) listed below:

1. Substantial contributions to the conception or design of the work; or the acquisition, analysis, or interpretation of data for the work.
2. Drafting the work or revising it critically for important intellectual content.
3. Final approval of the version to be published.
4. Agreement to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved.

I declare that all authors of the manuscript fulfill the four criteria for authorship, listed above, to the extent of my knowledge.

I declare that all individuals or groups who made substantial contributions to the work, but who do not meet the full criteria for authorship, have been acknowledged for their specific contributions in an “Acknowledgments” section of the manuscript/content.

I declare that no funding has been obtained to conduct the research and/or writing associated with this work; OR

I declare that all funding sources have been previously stated in the “Acknowledgments” section of the manuscript.

I declare that I have no conflicts of interest; OR

I may have a potential conflict of interest. I have indicated the potential conflict of interest in the “Disclosure” section of this form.

I declare that all authors have acknowledged any potential conflicts of interest, to the extent of my knowledge.

I hereby grant JCEMS the right to publish the manuscript in print and online versions under a Creative Commons Attribution 4.0 International (CC BY 4.0) license, pending acceptance of the manuscript. The CC BY 4.0 license may be found at:

<https://creativecommons.org/licenses/by/4.0/>; OR

Works produced by individuals employed under government contracts are protected and restricted under U.S. copyright law. I am a U.S. Government employee who prepared this work as part of my official duties and there is no copyright to transfer.
